

# Coconut Macaroon Snowflake Brownies

---

Set makes one cake.

## **Brownies**

1 All-American Fudge Brownie Mix,  
prepare as directed on box  
for Fudgy Brownies

## **Macaroon Topping**

1 Coconut Macaroon Mix, prepare  
as directed on box for Creamy  
Macaroons

Preheat oven to 350°F. Grease your Snowflake Shortbread Pan.

**To make the brownies:** Pour prepared batter into the pan and bake for 25 minutes.

**To make the macaroon topping:** After brownies have baked, remove from oven and carefully spread prepared coconut macaroon topping over the top; working from the outside edge toward the center makes this easier. Return to the oven for 25 minutes more, until topping is golden brown. Let cool in the pan for 40 minutes.

Run a thin blade around the edge of the pan, then flip brownies out onto a serving plate. Dust the top with confectioners' sugar if desired.
