

Dog Bone Variety Mix and Pan Set

Baker tested, dog approved! Easy-to-make dog biscuits mixes paired with our Dog Bone Pan is guaranteed to have your pup asking for seconds!

You'll need

½ cup of water
2 tablespoons vegetable oil
1 large egg

Directions

Preheat oven to 350°F. Lightly grease your Dog Bone Pan.

Whisk together water, oil, and egg. Add mix and knead until smooth. If dough is dry, add water by teaspoonful until it comes together.

Put about a tablespoon of dough in each well and bake at 350°F for 18-20 mins. Turn biscuits out onto a baking sheet.

Continue baking and turning out biscuits until all the dough is used. Turn oven off and put baking sheet with biscuits back in the oven. Leave inside for 60 minutes. Remove from oven when biscuits are brown, firm, and completely dry.

Yield: Makes about 40 biscuits per mix.
